

APPLICATION FOR A SUPPLY OF WATER (BY LAW 11) 2017/18

BY-LAW SUPPLY POINT NUMBER:

(if existing, otherwise a new number will be allocated on application)

TO: Harvey Water

I hereby request Harvey Water to supply water to me, as the occupier of the property indicated:
(Location address, including Lot No.)

Under the following conditions;

1. WATER SUPPLY NOT GUARANTEED

I/we understand that the supply of By-Law water is not guaranteed.

ie. If intended By-Law water is to be drawn from an irrigation channel or river and there is no water flowing, Harvey Water cannot provide water to By-Law users until the Irrigation season is open and water has been released for Irrigation purposes. Water will not be specifically released for By- Law users.

2. ON FARM STORAGE

A dam tank or receptacle should be provided by yourself to enable storage of enough water to meet your requirements in periods of short supply - a period of 21 days storage is the minimum requirement.

3. QUALITY

I understand that the water supplied is not guaranteed to be free of harmful and noxious germs, it is **non potable** and may contain high levels of salts.

4. CANCELLATION ADVICE

The Applicant is responsible for advising Harvey Water if the By-Law is no longer required **before** the annual accounts are sent out in December of each year, **or** at point of sale of your property.

5. PAYMENTS AND PRO-RATA PAYMENTS

i) The Applicant agrees; to make payment of the annual invoice raised in Dec each year within the normal trading terms of 30 days and to be subject to the terms and conditions according to the Customer Service Charter.

ii) If a supply or service is connected after the commencement of a year, the initial charge will be apportioned on a pro-rata basis.

iii) The service or supply may at your request be discontinued during the relevant year, however, the charges for the service or supply for **that** year will remain payable in full.

6. ACT TO APPLY

All points in this application are subject to provisions of the Rights in Water and Irrigation Act 1914.

7. The Applicant agrees to the installation of an identification plate by Harvey Water adjacent to the pump and/or inlet and agrees to allow that identification to **remain** in place during the period of supply.
